

Pro-Choice Organisations

Pro-choice organisations are valuable sources of accurate information, research and resources. The following are a few provincial, national and international organisations with resources for reproductive freedom fighters.

Abortion Rights Coalition of Canada

www.arcc-cdac.ca
info@arcc-cdac.ca

A nation-wide political pro-choice group whose mission is to ensure women's reproductive freedom by protecting and advancing access to abortion and quality reproductive health care.

Action Canada for Population and Development

www.acpd.ca
info@acpd.ca

A human rights advocacy organisation that seeks to enhance the quality of life of women, men and children by promoting progressive policies in international development focusing on reproductive and sexual rights and health.

Catholics for a Free Choice - Canada

www.catholicsforchoice.ca
info@catholicsforchoice.ca

Seeks to promote sexual and reproductive ethics based on justice and a commitment to women's well-being, affirming the moral capacity of women and men to make sound and responsible decisions about their lives. It uses education and advocacy to infuse these values into public policy, community life and Catholic social teaching.

Canadian Federation for Sexual Health

www.cfsh.ca
admin@cfsh.ca

This is a national network advancing sexual and reproductive health and rights through public education and awareness, advocacy, support for the delivery of programmes and services in Canada as well as international projects in cooperation with the International Planned Parenthood Federation.

Canadians for Choice

www.canadiansforchoice.ca
info@canadiansforchoice.ca

Canadians for Choice is a pro-choice, non-profit charitable organisation dedicated to ensuring reproductive choice for all Canadians. They work to ensure that policy-makers and health and education practitioners are educated and informed about all aspects of sexual and reproductive health and rights. The organisation also aims to enhance the quality and comprehensiveness of research and information on sexual and reproductive health issues.

Canadian Women's Health Network

www.cwhn.ca
cwhn@cwhn.ca

A national organisation working to improve the health and lives of girls and women in Canada and the world by collecting, producing, distributing and sharing knowledge, ideas, education, information, resources, strategies and inspirations. The website offers access to databases of women's health, and information on all aspects on women's health including sexual and reproductive health.

Center for Reproductive Rights

reproductiverights.org
info@reprorights.org

A US organisation that uses the law to advance reproductive freedom as a fundamental right that all governments are obligated to protect, respect, and fulfill. This website provides information on American and international laws as well as relevant court cases on abortion and other sexual and reproductive rights including a description of *Roe v. Wade*.

Fédération du Québec pour le planning des naissances

www.fqpn.qc.ca
info@fqpn.qc.ca

A community organisation made up of women's groups and people concerned about sexual and reproductive health.

Feminist Campus

www.feministcampus.org
campusteam@feministcampus.org

This American group seeks to inform young feminists about the threats to abortion access. They work with students to effect change at the grassroots, national, and global levels. The website includes ready-made printable leaflets on a number of topics.

International Consortium for Medical Abortion

www.medicalabortionconsortium.org
ludmila.tulus@icma.md

Comprised of key players in the field of sexual and reproductive rights from all regions of the world, this organisation promotes safe abortion, focusing on the needs of women in countries and regions where abortion is unsafe or not accessible. The website shares information and resources on medical abortion and provides links to information and materials.

International Planned Parenthood Federation

www.ippf.org
info@ippf.org

A global service provider and a leading advocate of sexual and reproductive health and rights. They are a worldwide movement of national organisations working with and for communities and individuals. Their website includes a section entitled “Guides and Toolkits” that provides advocacy resources.

National Abortion Federation

www.prochoice.org/canada
naf@prochoice.org

A professional association of abortion providers in the United States and Canada that believes women should be trusted to make private medical decisions in consultation with their health care providers.

Ontario Coalition for Abortion Clinics

(416) 969-8463

Originally organised to fight the federal abortion law, OCAC is involved in the ongoing struggle for reproductive rights. Activities include community actions, demonstrations, lobbying, and workshops.

Pro-Choice Action Network

www.prochoiceactionnetwork-canada.org
info@prochoiceactionnetwork-canada.org

The Pro-Choice Action Network is a political and educational advocacy group based out of British Columbia that lobbies for a woman’s right for choice. The website provides information regarding abortion, as well as links to media coverage surrounding the national and international politics of abortion.

Sexuality and U

www.sexualityandu.ca

Administered by the Society of Obstetricians and Gynecologists of Canada, Sexuality and U is committed to providing credible and up-to-date information and education on sexual health. It has sections for teens, adults, parents, teachers and health professionals and offers many resources that address questions about sexual and reproductive health in Canada, including factsheets on sexual activity and disease rates.

Youth Coalition for Sexual and Reproductive Rights

www.youthcoalition.org
rosario@youthcoalition.org

The Youth Coalition is an international network of young people aged 15 to 29 working to promote adolescent and youth sexual and reproductive rights at the regional and international level. The website contains information on relevant United Nations conferences on sexual and reproductive rights, as well as resources on advocacy, all from a youth perspective.

Women’s Health Matters

www.womenshealthmatters.ca
info@womenshealthmatters.ca

A Canadian source for reliable, evidence-based and up-to-date information on women’s health issues developed by Women’s College Hospital and the Women’s College Research Institute. Of particular use is a health index that allows you to search by issue for web and print links and resources.

World Health Organization - Department of Reproductive Health and Research

www.who.int/reproductive-health

The website provides information and research on a range of topics regarding sexual and reproductive health internationally.
